

I'm bored - Boredom beater

WHAT'S BORING	HOW TO MAKE IT INTERESTING
Reading	<ul style="list-style-type: none"> • Read out loud to someone • Read to a tape recorder • Take it in turns to read with someone. • Pretend you are a different person or cartoon character. • Find stuff to read on the computer, ask a friend what they read, borrow from your local library. • Make a video of you doing a dramatic reading where you act it all out at the same time. • Read comics, magazines, poetry, newspapers, maps, stamps, your friends stories,...there's gotta be something around that you will enjoy reading! [of course while you are looking for something to read you won't have time to be bored].
